

Inactive Hazardous Sites Branch  
CTS of Asheville Summary  
(NCD003149556/Former APS# 20358)  
Mills Gap Road, Buncombe County

This is the June, 2010 update of activities directed by the N.C. Department of Environment and Natural Resources that CTS is performing at the Mills Gap Road site in Asheville.

**June 2010 Update:**

NCDENR's response to the CTS Phase II workplan was mailed out on May 20, 2010. CTS e-mailed NCDENR with some questions about the comments on May 26. NCDENR has not responded to those questions based on a need to obtain further clarification. Answers to CTS's questions should come the week of June 14<sup>th</sup>.
