11 guidelines to determine which fishing activities in joint waters are regulated by the Marine Fisheries Commission and
12 which are regulated by the Wildlife Resources Commission. Finally, the joint rules set forth special fishing regulations
13 applicable in joint waters that can be enforced by officers of the Division of Marine Fisheries and the Wildlife
14 Resources Commission. These regulations do not affect the jurisdiction of the Marine Fisheries Commission and the
15 Wildlife Resources Commission in any matters other than those specifically set out.

10 areas, and establish size and creel limits whether inland or joint fishing waters shall be vested in the
