 Via [Zoom](#)

Meeting Goals

1. Share updates since the first meeting
2. Identify steps for meeting the charge
3. Assign roles for drafting information for the Steering Committee

Agenda

<i>1st hour</i>	Welcome!	
	Purpose of the meeting	Joey Hester & Rich Gannon, DWR
	Intros & Working together	Facilitation Team DSC
<i>1st hour</i>	Updates	Joey & Rich
	Action steps from 1st meeting <ol style="list-style-type: none"> 1. Bill will send draft survey questions to TAG members before Jan 6 2. Joey will finalize a list of NPDES permittees that are in and out of YPDRBA w/ Bill's help, then send to Grace for potential outreach 3. Kevin Haynes will write up his experience with Tyson and Doug will draft a document about what has been done in the septic community since 2006 4. Bill will look into who else should be on this TAG from Winston-Salem 5. Members will consider who else needs to be on this TAG 	
<i>2nd hour</i>	Where to from here?	Facilitation Team
	TAG charge - due to Steering Committee February 15: <ul style="list-style-type: none"> • <i>What specific management improvements has your sector already implemented for nutrient control since 2006?</i> • <i>What further nutrient reduction management steps can you take that would make sense? Consider both examples</i> 	

of more easily attainable and effective opportunities, as well as more long-term or challenging opportunities for your sector.

Next steps

- How to accomplish the charge
