

Workshop: Procurement Regulations and Processes (Fall 2024)

Jointly offered by:

NC Department of Environmental Quality

and

UNC School of Government Environmental Finance Center

Purpose: to provide training and guidance on the construction procurement requirements in NCGS 143 and best practices for local government units (LGUs) before, during and after project completion.

Two (free) workshops (in-person and virtual, via Webex):

- **Oct. 28, 10 – 3 p.m.: Procurement Workshop East** at the Wilson Library, Wilson, NC
In-person: 249 Nash St. N, **Wilson**, NC 27893
[Webex Information provided at this registration link](#)
- **Nov. 14, 10 – 3 p.m.: Procurement Workshop West** at Western Carolina University (WCU)
Biltmore Park
In-person: 8 Schenck Pkwy, **Asheville**, NC 28803
[Webex information provided at this registration link](#)
***No cost** to attend the workshops. Light snacks/refreshments will be served, with lunch “on your own” during a one-hour break.*

Topics will include:

- Contracting methods
- Federal and state requirements for construction projects
- Compliance with federal and state funding
- Post-construction best practices

Who should attend:

- Managers and owners of drinking water and wastewater utilities with active federal and state construction funding, particularly American Rescue Plan Act (ARPA) and State Revolving Fund (SRF)
- Contract and project managers for water and wastewater utilities, including mayors, finance officers, utility managers, public works directors, city councilors, board members, tribal council members and clerks
- Consultants and technical assistance providers serving water and wastewater utilities

How to Register:

Register (for in-person or virtual) for Mon., Oct. 28 in Wilson or Mon., Nov. 14 in Asheville, at: <https://app.smartsheet.com/b/form/164e478a275344e885ebfd1e0a39e20b>
