

The N.C. Department of Environmental Quality's Division of Air Quality (DAQ) will host a public hearing on Monday November 16, 2020 on a draft permit for a biogas processing facility for Align RNG, LLC, previously scheduled for October 20. Members of the public are invited to attend online or by phone and provide their comments on the proposed permit.

Align RNG, LLC has submitted an application for a biogas processing facility which would gather and process biogas from 19 connected farms.

DAQ will host the public meeting session to provide information and answer questions about the air quality permit application and associated water quality permit applications, followed immediately by the public hearing. Please note the public hearing is only for the draft Air Quality Permit.
