

## NCDP Scientific Advisory Council Agenda

10:00 am – 3:30 pm

December 11, 2019

NCSU-CMAST, Room 205

303 College Cir, Morehead City, NC 28557

Desired Outcomes:

- Shared understanding of processes to develop nutrient criteria.
- Shared understanding of the Coastal Habitat Protection Plan.
- Shared understanding of the available DWR water quality data.
- Shared understanding of the potential endpoints and sensitive receptors in the Chowan River/Albemarle Sound.

| Time            | Topic  | Speaker(s)                 |
|-----------------|--|----------------------------|
| <b>10:00 am</b> | Convene <ul style="list-style-type: none"> <li>• <i>Introductions</i></li> <li>• <i>Approval/Comments on meeting minutes – February, June, October 2019</i></li> <li>• <i>Administrative Business</i></li> </ul> | Jenny Halsey (facilitator) |
| <b>10:15 am</b> | Developing Nutrient Criteria   | Lauren Petter              |
| <b>11:00 am</b> | Break  |                            |
| <b>11:15 am</b> | Nutrient Criteria Development Exercise   | Lauren Petter              |
| <b>12:00 pm</b> | Lunch (on your own)  |                            |
| <b>12:30 pm</b> | Coastal Habitat Protection Plan  | Casey McKnight             |
| <b>1:00 pm</b>  | Summary of Data in Chowan River/Albemarle Sound  | Brian Wrenn                |
| <b>1:30 pm</b>  | Break  |                            |
| <b>1:45 pm</b>  | Input from SAC on important endpoints/sensitive receptors  | Jenny Halsey (facilitator) |
| <b>3:15 pm</b>  | Wrap-up, closing remarks, and adjourn  | Jenny Halsey (facilitator) |
| <b>3:30 pm</b>  | Adjourn  |                            |
