

Air Quality Rules Readoption Stakeholder Meeting

June 24, 2019

*Department of Environmental Quality*

# *Objectives for Today's Meeting*

- Background
- General Rule Readoption Process (*as needed*)
  - Rule Groupings
  - Readoption Schedule (Tentative)
- Summary of Proposed Changes for H74 Group 6 Rules
- Audience Feedback on Needed Changes
- Q&A
- Update on H75 Groups 1-5 Rules

# *Background*

- N.C.G.S. 150B-21.3A requires agencies to review and update rules every 10 years. Session Law 2013-413 (H74) authorized the change in the general statute.
- Following finalization of a report which classified that majority of air quality rules as necessary with substantive interest, the Rules Review Commission set a readoption date for the air quality rules at its May 19, 2016 meeting.
- All 320 existing air quality rules are to be readopted by **December 31, 2020.**

# *General Process*

- Provide opportunity for Stakeholder dialogue/feedback on proposed changes to existing rules
- Present rule concept to Air Quality Committee (AQC)
- Present draft rules and regulatory impact analysis to AQC
- Request Environmental Management Commission (EMC) to authorize public comment period and hearing on draft rules
- Request EMC to approve hearing record and readopt rules
- Present final rules to Rules Review Commission (RRC) for approval and inclusion in the NC Administrative Code

# Rule Groups & Anticipated General Timing
