SUBJECT: JORDAN LAKE WATER SUPPLY STORAGE ALLOCATION

Dear Mr. Fransen:

Per the Division's February 24, 2010 Jordan Lake Round 4 Water Supply Allocation Public Information Meeting, I am submitting this Letter of Interest on behalf of Orange Water and Sewer Authority (OWASA). Retaining OWASA's existing (Level II) 5 percent water supply storage allocation is essential to our ability to meet the long range needs of our service area. It is our expectation and understanding that our current allocation will be reviewed as part of the Round 4 process.

Our primary contact will be:

Ed Holland, AICP
Planning Director
Orange Water and Sewer Authority
400 Jones Ferry Road
Carrboro, NC 27510
Email: eholland@owasa.org
Telephone: 919-537-4215 (direct)

Thank you very much.

Sincerely,

Ed Kerwin
Executive Director
