

1 15A NCAC 01T .0208 is proposed for adoption as follows:

2

3 **15A NCAC 01T .0208 POST FUNDING AWARD FOR FEDERALLY AUTHORIZED CHANNELS**

4 If the Division awards a grant from the Shallow Draft Navigation Channel Dredging Fund and the local government  
5 accepts the grant award:

6 (1) The sponsoring local unit of government may submit a request for additional funds after funds have  
7 been awarded. To request additional funds or a change in scope, the local government shall submit  
8 a letter with the information in Rule .0207(a) of this Section.

9 (2) The grantee shall use the funds for only those purposes set forth in G.S. 143-215.73F.

10 (3) If funds remain after the project has been completed or the project is not awarded by the United  
11 States' Army Corps of Engineers, the local government may submit a written request to return any  
12 unspent funds. The written communication shall be signed by an official of the sponsoring local  
13 government and include the project name and amount of funds that are being requested to be  
14 returned.
