RE: Additional Information, NPDES Application NC0004308  
Badin Business Park, LLC

Dear Mr. Dowden:

Badin Business Park, LLC is submitting the attached additional information to supplement the April 25, 2022, NPDES permit (NC0004308) renewal application (Application). As noted in Section 2.0 of the Application, Outfall 019 did not discharge during the permit renewal sampling and required samples could not be collected. Outfall 019 discharged in January 2024 and water quality samples were collected. Badin has included the following items for your inclusion in the NPDES permit renewal:

- Outfall 019 EPA Form 2E
- Outfall 019 EPA Form 2F
- Outfall 019 analytical laboratory report

If you have any questions or need additional information, please do not hesitate to contact me at [Robyn.Gross@alcoa.com](mailto:Robyn.Gross@alcoa.com) or 412.315.2780.

*I certify, under penalty of law, that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are significant penalties for submitting false information, including the possibility of fines and imprisonment for knowing violations.*

Sincerely,

Robyn L. Gross  
Global Director, Alcoa Transformation  
Badin Business Park LLC
