15A NCAC 02H .0500 – Water Quality Certification, Shoreline Stabilization
FORM: SSGP 04-2022

Shoreline Stabilization Application Form

ONE complete copy of the application (including attachments) and the [application fee](#) should be sent to:

If sending via US Postal Service

Stephanie Goss
DWR – 401 & Buffer Permitting Branch
1617 Mail Service Center
Raleigh, NC 27699-1617

If sending via delivery service (UPS, FedEx, etc.)

Stephanie Goss
DWR – 401 & Buffer Permitting Branch
512 N. Salisbury Street
Raleigh, NC 27604

For electronic submittals, please see the [Shoreline Stabilization Application Form](#).

Please note: The Shoreline Stabilization form should be used to apply for a 401 Water Quality Certification for activities eligible for coverage under U.S. Army Corps of Engineers Regional General Permits 30, 79, or 80. This includes, but is not limited to, shoreline stabilization on Federal Energy Regulatory Commission (FERC) regulated lakes, Tennessee Valley Authority (TVA) regulated lakes, and certain private lakes. This form does not apply to property within the twenty coastal counties that are affected by the Division of Coastal Management (CAMA) rules.

A. Applicant Information [[15A NCAC 02H .0502\(a\)](#)]

1. Owner Information

Name: _____

Mailing Address: _____

Telephone Number: _____ Fax Number: _____

E-mail Address: _____

2. Agent/ Contact Person Information

A signed and dated copy of the Agent Authorization letter must be attached if the Agent has signed this application form. (A form can be downloaded here:

http://www.saw.usace.army.mil/Portals/59/docs/regulatory/regdocs/Permits/SAMPLE_AGENT_AUTHORIZATION_FORM.pdf)

Name: _____

Company Affiliation: _____

Mailing Address: _____

Telephone Number: _____ Fax Number: _____
E-mail Address: _____

B. Project Information [[15A NCAC 02H .0502\(a\) & \(b\)](#)]

1. Attach a **vicinity map** (i.e. street map) clearly showing the location of the property with respect to local landmarks such as towns, rivers, and roads.
2. Provide a detailed site plan showing property boundaries and proposed locations of vegetation clearing, buildings, retaining walls, docks, impervious surfaces, rip rap, excavation or dredging below Full Pond/ Normal Water Level elevations, and construction access corridors. You may use the diagram provided at the end of this application form.
3. Attach a photograph of the shoreline/ buffer proposed to be stabilized. (Include a scale of some sort- a yard stick, shovel handle, etc.)
4. Location of the property (where work is to be conducted)
County: _____ Nearest Town: _____
Lake/ river/ ocean adjacent to property: _____
Property size (acres): _____
Subdivision name or site address (include phase/lot number): _____

Directions to site - please include road names and numbers, landmarks, etc.: _____

Latitude (*in decimal degrees*) _____ Longitude (*decimal degrees*) _____
5. Describe the existing land use or condition of the site at the time of this application (residential, undeveloped, etc.): _____
6. Describe proposed work (include discussion as to how hardening of shoreline has been avoided, or why it is necessary): _____

7. Will work be conducted from land? From water?
8. Total amount of impacts **below** the normal pool lake level / Normal Water Level
Permanent impacts (including all excavation, backfill, rip rap, retaining walls, etc.) in square feet:

Temporary impacts in square feet:

9. Total amount of impacts **above** the normal pool lake level / Normal Water Level and 50 feet land-ward

Permanent impacts (including back fill, excavation, rip rap, retaining walls, etc.) in square feet:

Temporary impacts (temporary clearing, construction corridor) in square feet:

10. Please describe the vegetation above the normal pool lake level/ Normal Water Level and 50 feet landward to be impacted (number of trees, for instance): _____

11. Signature

By signing below, I, as the project proponent, certify to the following:

- The project proponent hereby certifies that all information contained herein is true, accurate, and complete to the best of my knowledge and belief
- The project proponent hereby requests that the certifying authority review and take action on this CWA 401 certification request within the applicable reasonable period of time

Owner/Agent's Signature* [[15A NCAC 02H .0502\(f\)](#)]

Date

**Agent's signature is valid only if an authorization letter from the owner is provided.*

12. Please approximately sketch the following information on this plan and **provide dimensions for each item:**

- a. All proposed vegetation clearing
- b. Location of rip rap or fill to be placed above the Full Pond/ Normal Water Level elevation
- c. Location of rip rap or fill to be placed below the Full Pond/ Normal Water Level elevation
- d. Location of any proposed structures such as buildings, retaining walls, docks, etc.
- e. Location of any excavation or dredging below the Full Pond/ Normal Water Level elevation
