### North Carolina Division of Water Infrastructure

Project Applicant: Town of Windsor  
Date: January 7, 2020  
Project Number: CS370703-02  
Estimated Project Cost: \$1,953,198  
Estimated Funding Amount: \$1,914,900

**Project Description:** The proposed project will replace aging, deteriorated wastewater infrastructure. Proposed improvements to the collection system include the following: Replacement of 80 GPM Windsor Village pump station, 1,058 LF of 8-inch gravity sewer, 1,828 LF of 12-inch gravity sewer, 29 service laterals, 21 manholes; and electrical, valves and associated appurtenances. Proposed improvements to the treatment plant include the following: Replacement of a manual bar screen with a mechanical bar screen; removal of comminutor; rehabilitation of two (2) clarifiers; and associated mechanical and electrical site work and yard piping.

The above named applicant will receive funding assistance from the State Revolving Fund. The North Carolina Division of Water Infrastructure (Division) has conducted a review of the project in accordance with the NCGS §159G-38. The Division has determined that this project is below the minor construction activities threshold outlined in 15A NCAC 01C .0408; therefore, the project is exempt from inter-agency review, and the preparation of additional environmental documents is not required.

This determination shall become effective upon its distribution by the Division and will be available on the Division's website (<https://deq.nc.gov/about/divisions/water-infrastructure/division-water-infrastructure/environmental-documents>). This determination can be revoked at any time adverse information is made available. The documentation to support this decision will be on file with the North Carolina Department of Environmental Quality, Division of Water Infrastructure, and is available for public scrutiny upon request.

Comments concerning this decision may be addressed to Ms. Jennifer Haynie, Environment and Special Projects Unit, Division of Water Infrastructure, 1633 Mail Service Center, Raleigh, North Carolina 27699, or she can be reached by phone at (919) 707-9173.

Sincerely,

Anita E. Robertson, PE, Supervisor  
Wastewater Projects Unit  
Division of Water Infrastructure
